[A civil rights lawsuit alleging that Defendant(s) acting under color of State law, deprived you of a right secured by federal law or the Constitution.]

[Other federal status giving the court subject matter jurisdiction.]

Please write as briefly as possible the facts of your case. Describe how each Defendant is involved. Include the name of all persons involved, give dates and places.

The National Personnel Records Center is required under
5 USC 552 (g) 1 (C) to maintain accurate and complete
records of military personnel, and they have failed in
their obligation to do so because my military records
produced for my inspection are incomplete and or inaccurate.
Records such as my dental entrance examination are blank,
all records relating to an assault on me such as the
investigation of the assault and treatment are missing,
as well as records of my discharge physical examination
and others. This failure by the National Personnel
Records Center to maintain my complete and accurate
military record resulted in an unfair and adverse
determination relating to my qualification for
disability benefits.

If you have been a Plaintiff in a lawsuit, for each lawsuit state the case number and caption.
(Example, Case Number: 2:08-cv-728 and Caption: John Smith vs. Jane Doe).

V. Relief

In this section please state (write) briefly exactly what you want the court to do for you. Make no legal argument, cite no case or statutes.

The court should restore me to the position I would
have been in had the government maintained complete and
accurate records of my military service. Specifically, I
ask the court to order the government to grant me an
honorable discharge with back pay and promotional
considerations, or alternatively, to grant me a medical
discharge with a service-connected disability or both.

I state under penalty of perjury that the foregoing is true and correct. Executed on

this 9 day of December, 2011.
